Golf Classics 2009

MS Ireland is asking all Golf Clubs around the country to get out their woods and irons for a round of golf to help us fund our services. We are looking for golfers to join our walkers, parachutists, runners and canoeists as sporting fundraisers. Your hobby and our service-needs could be a match made in heaven!

In exchange for a commitment to raise a particular amount, MS Ireland can provide you with a range of products and services. We can give you posters, balloons, t-shirts, authorisation letters, etc. We can also help you advertise the event by putting information up on our website.

What Your Money Will Do

Government grants provide us with half the funding we need to fund all our services. Each year we rely on the generous support of fundraisers to make up the shortfall and raise over €4 million. Your golf classic can help us to provide respite care to people with MS, fund research, provide counselling and organise Living-with-MS programmes for people with MS, carers and family members.

MS Ireland is the only national organisation providing information and support to the whole MS community: people with MS, family members, carers, health professionals, employers and others interested in MS or MS Ireland. It is our aim to 'enable and empower people affected by MS to live the life of their choice to their fullest potential'. Your fundraising endeavours allow MS Ireland to do this.

How It Works

Step 1: Decide which prize package you wish to choose:

THE BIRDIE

– prize package 1 –

Reach a fundraising target of €1,000 and you will receive a beautiful Cavan Crystal team trophy

THE EAGLE

– prize package 2 –

Reach a fundraising target of €2,000 and you will receive a set of four individual player trophies from the magnificent Cavan Crystal range.

THE ALBATROSS

– prize package 3 –

Reach a fundraising target of €3,000 and you will receive a team trophy and a set of four individual player trophies, all from the Cavan Crystal range.

If your fundraising target is above or below the amounts above we can tailor a package to suit your needs.

Step 2: Complete and fill in the form below. Our fundraising team will be in touch to discuss your particular requirements.

Step 3: Organise and promote the event with the materials and resources we send you.

Step 4: Golf!

If you have any queries please contact Cathryn or Natasha on our fundraising team at 1850 650 950 or at fundraising@ms-society.ie

Please allow three weeks for delivery of the trophies. If the proposed target is not raised we can still supply the trophies but a contribution to the cost of the trophies may be incurred.

Thanks a million for your help!

MS and MS Ireland

Multiple Sclerosis is a progressive, neurological disease of the brain and spinal cord. It is caused when the myelin, a fatty substance protecting all nerve fibres, breaks down, disrupting the flow of messages around the body. MS is unpredictable and the presence, severity and duration of symptoms differ from person to person. However, common symptoms include visual disturbance; mobility and coordination problems, slowing of speech, numbness, bladder and bowel dysfunction; and cognitive difficulties. MS can be a physically disabling condition but it can also affect the social, financial and emotional well-being of the person with MS and the family. However, living with MS can be managed quite successfully with the appropriate treatments, interventions and services.

The Society provides a wide range of services and programmes designed specifically to meet the needs of the MS community.

- Individual and family support
- Living with MS programmes, activities and workshops
- Confidential helpline, 1850 233 233
- Respite Care Centre
- 41 Voluntary Branches nationwide
