

TIME TO GET STUCK IN A BOOK

# It's the MS READATHON

Dear MS News Reader,

**Do you have a Bookworm in your life?**

Is there a child, grandchild, niece, nephew or even a next door neighbour that you think might like to take on a reading challenge for MS Ireland?

The MS Readathon is a month-long, sponsored read where children of all ages challenge themselves to read as many books as possible all for a great cause. This year it takes place from 11<sup>th</sup> Oct – 11<sup>th</sup> Nov.

There are prizes for everyone who takes part and there are fantastic prizes to be won too, including 12 iPads and 30 sets of wireless headphones.

If you know someone who might be interested, we'd be delighted if you'd pass this letter on to them and encourage them to get reading.

All the information about how to get involved can be found on our website

Thank you,

Sally Spearman
