We are recruiting for two posts to join our physiotherapy team and run group online and in person exercise classes for people with Multiple Sclerosis and other neurological conditions

Post 1 Full-time contract from 22nd March for 6.5 months

Job Title: Physiotherapist/Senior Physiotherapist for People with MS

Location: Limerick and/or remotely

Post 2 Part time, 26.5 hours per week contract for one year.

Job Title: Physiotherapist/Senior Physiotherapist for People with neurological conditions

Location: Galway, Dublin and/or remotely

Reporting to: Physiotherapy/Exercise Coordinator

Role:

To provide quality physiotherapy assessment to people with MS and other neurological conditions.

To run group exercise and education programmes to promote health, manage symptoms and improve quality of life.

To provide a quality physiotherapy service online, in person and blended, in line with standards of physiotherapy practice and statutory registration.

Salary Scale: HSE October 2021 Salary scales will apply

Annual Leave Entitlements: 25 days per year (pro-rata)

JOB DESCRIPTION:

1. Enable participants to **optimise** their full potential by providing a structured and directed physiotherapy programme.
2. Work within the CORU Physiotherapy Code of Professional Conduct and ethics.
3. Maintain and improve standards of practise through participation in continuing professional development opportunities within and outside MS Ireland. Keep up-to-date with current knowledge and developments in the field of neurological physiotherapy.
4. Ensure that a high standard of physiotherapy assessment and treatment is provided for all patients under his/her care.
5. Work to develop appropriate educational material
6. Liaise with relevant HSE clinical staff, staff of MS Ireland, other professionals and any key stakeholders to ensure that effective communication and reporting takes place at all times.
7. Maintain adequate records and case notes, providing statistics as required.
8. Work within statutory health and safety guidelines and within the health and safety policies of MS Ireland to always ensure a safe working environment for patients and staff.
9. Carry out clinical audit of the physiotherapy service and provide reports where required.
10. Undertake other responsibilities as are consistent with the nature of the work in the post including programmes of research and development as appropriate.
11. Adhere to budgetary requirements.
12. Other duties as assigned by Manager.

PERSON SPECIFICATION:

Experience and Educational Requirements:

1. Candidates must provide evidence of registration on the CORU Physiotherapy register
2. Candidates should have experience in neurological physiotherapy and online physiotherapy provision

Knowledge and Skills:

1. Candidates will be client focused with excellent interpersonal skills.
2. Excellent oral and written communication skills.
3. Proficient IT skills.
4. Have use of own car and possess a full clean driver's license.
5. Possess and understanding and knowledge of the ethos and operation of MS Ireland.
6. Ability to demonstrate respect and empathy for clients and their carers and the ability to maintain confidentiality.
7. Ability to work on one's own initiative, set goals and implement programmes to achieve set targets.
