Betty's Tea Day raising funds for MS

The popular Betty's Tea Day, which raises funds for people with MS, will be held this year on Friday, June 2, at the home of Betty Duffy in Kiltybranks, Ballaghadereen (Eircode F45 HD88).

Doors will open from 12 noon and the event will finish around 6 pm. Delicious home baking is guaranteed on the day. This is the 8th year that Betty will be hosting her tea day in aid of the Roscommon Branch of Multiple Sclerosis Ireland. All funds raised locally are used for people with MS in the Roscommon Area.

Hugely popular and very well supported events, Betty's tea days have raised €14,427.69 over the years. Everyone is welcome to attend the event. Check out the Betty's Tea Day Facebook page for more information.
